To Whom It May Concern

Letter of Testimonial for Mr. Haziq Asyraaf

Haziq Asyraaf is an intern with Services Group at Government Technology Agency and attached to Ministry of Manpower, from Jul 2019 – Feb 2020.

He is a key member of development team for a blockchain initiative to transform the existing business process to be more resilient, secure and cost effective. He has major contribution on the project in requirement gathering, product demonstration, hands-on development, solution design and troubleshooting. The proof-of-concept is a success.

He is an earnest and quick learner with the ability to pick up new technology and transform to a working prototype quickly. He has strong problem solving skills and contributed significantly in various working meetings that lead to concrete solutions to business requirements.

He is responsible and diligent with a can-do attitude. He has proven himself to be a dependable member of the team. He is a great team player who functioned effectively under the direction of other team leaders, and is well regarded by his colleagues and business users. As a software developer in the team, he can also produce quality source code under minimum supervision.

I am happy to stand as Haziq Asyraaf referee, and will be pleased to recommend him to any organisation that is considering to employ him in the future.

Sincerely,

Raymond Kwan
Application Consultant
Services Group
